FRANOCA

1965

Dedication

For service unsurpassed in loyalty and devotion we wish to recognize Mrs. A. H. Vann. She has seen fit to unselfishly bestow on our school her time and interest for many years. Her smiling face has become a symbol of patience, understanding and love to hundreds of school children who have passed her way over the years. And so to you, "Miss Betsy", we dedicate this, the 1965 edition of the FRANOCA, with love and sincerest gratitude.

SENIORS

In September of 1953, we Seniors were uncertain first graders entering the halls of Franklinton High School, our first step into the world of the "Big People." Soon on a balmy night in May, to the tune of Pomp and Circumstance, we will leave the security of our high school days, but these days will be a part of us forever. We will remember the hard work and thrill of athletics, the endless practices and final performances of very successful junior and senior plays, the realization during our magazine and annual ad sales that some of us were high pressure salesmen, We will not forget the Junior-Senior, decorating, dancing, and the inevitable clean-up; we will not forget our teachers (how could we?), especially Miss Jackson, who has somehow lived through four years with us. Nor will we forget what we have learned here, most important, the lessons we have learned about ourselves and others through close comradeship. The Class of '65 is almost Franklinton High School history now, "But as we sadly start our journeys far apart, a part of every heart will linger here."

Off the Tracks

On April 3, 1964, the Junior Class presented the most successful play of the decade entitled "OFF THE TRACKS". Let us reminisce...

The play is laid in the waiting room of a small way-side railroad station on a dark, stormy night. A strange mixture of people is thrown together when a train derails and the passengers come in to wait for a relief train. Among them is an engaged couple, a deaf man with a strange suitcase, and the wealthy Mrs. Vanderventer who soon finds that her expensive pearls are missing. Suspicion is thrown on an Italian family when the nosy Miss Pidgie discovers the pearls.

A young law student suggests a trial with station agent Morgan acting as judge and three college girls as the jury.

Then Miss Pidgie puts over a smart trick and finds out what is in the mysterious suitcase, much to her regret!

The trial proves that the woman is innocent and that Mrs. Vanderventer is herself the guilty party. Throughout the trial handyman Silas keeps everyone in stitches with his antics.

"Professor, How Could You?"

It is the story of Professor Keats offered the position of Dean provided he marries within three days.

Since The Professor's only love is Cleopatra, he asks a friend

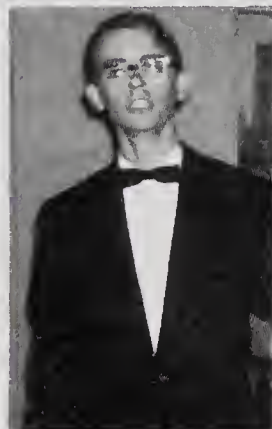

to select a bride. This plan is overheard by one of the Professor's students, Vicky Randolph, who immediately

who immediately

Bets are placed by Butler Boggins and the others on three likely girls. Each girl is delighted with the proposition, and the poor Professor soon finds himself engaged to all three but in love with only Vicky!

Butcher Boy Bean soon arrives to liven up the party.

Meanwhile Grandpa tangles things up by inviting all three girls to elope with Keats.

Grandma connives for the Professor, and much to everyone's surprise, Keats' long lost "Wife" arrives to save the day for him and his bride-to-be!!!

Girls' State

Each year the Franklinton P.T.A., in cooperation with the American Auxiliary, sponsors two delegates to attend Tar Heel Girls' State. Girls' State is held at the University of N.C. at Greensboro during June. The purpose of the program is to provide an understanding of state government and to develop within young leaders a sense of their responsibility as political citizens. The 1964 Girl Staters were Coppie Green and Carroll Mode.

Another important project of the P.T.A. is the annual Halloween Carnival. The parents and teachers alike work hard to make this the successful event that it is. Proceeds from the carnival are used for securing science and mathematical equipment for the school. The P.T.A. is to be saluted for the fine work it is doing.

Gains by Caudle!

The RED RAMS had a winning season in 1964 for the first time since football was introduced to the school. The RAMS posted a 7-3 won-lost record for the season. Most were team victories with many unsung heroes. But the school was doubly proud of James Caudle, who was selected to the All-Eastern Third Team, and of David Robbins, who received honorable mention in the selections.

September 4 Franklinton 13—Helena 7

The RAMS found the Helena defense tough, but David Holmes passed to James Caudle for one score and to Larry Kearney for another. This win started the RAMS on a six game winning streak which will long be remembered at FHS. Braxton Gilleland was selected Player of the Week.

September 11 Franklinton 27—Bethel Hill 6

In this game the RAMS did not show the defensive or offensive strength of the previous week until the second half when James Caudle took command. James scored all of the teams' points and was chosen Player of the Week.

We've Got a Team

September 18 Franklinton 18—Four Oaks 0

In this game, team effort produced a well deserved victory for the RAMS. Several boys did outstanding jobs with Richard Harris being selected as Player of the Week.

September 26 Franklinton 6—Louisburg 0

The RAMS were not to be denied this game. They fought off a determined Bull Dog defense to score late in the game for their first victory over the arch rival, Louisburg. Don Morton was Player of the Week.

October 2 Franklinton 19—Bethel Hill 0

The RAMS struggled hard against a determined team for the Homecoming victory. Larry Kearney was selected Player of the Week.

October 9 Franklinton 21—Oxford Orphanage 20

Oxford Orphanage gave the RAMS their toughest test of the season, but again James Caudle took over to bring the RAMS from behind to victory number six. Player of the Week was James Caudle.

October 16 Franklinton 19—Warrenton 44

The RAMS were not ready for this strong team or the sea of mud in which they played. Together they handed the RAMS their first defeat. Danny Reid was chosen Player of the Week.

October 23 Franklinton 0—Helena 21

Not yet recovered from their previous trouncing, the RAMS went down to their second defeat. Player of the Week was Donnie Gilleland.

Manager, Barry Burger

There's No Doubt About It

Rams dig in on defense...

October 30 Franklinton 26—Littleton 12

James Caudle paved the way to defeat the scrappy Littleton team and was chosen for the third time Player of the Week.

November 6 Franklinton 6—Benvenue 31

The RAMS closed the season on a sour note by being trounced by the Benvenue team. David Holmes, an outstanding performer throughout the season, was chosen Player of the Week.

Yes, it was a good season for the RAMS, and their coach Beck Corbin, deserves much credit for a job well done. Although the team will indeed miss the graduating seniors, next year looks bright for the RAMS with many boys returning who have valuable experience.

1964 Track Team

The Franklinton trackmen of 1964 had an outstanding season, losing their first meet by two points to Wake Forest. They won the next six meets, climaxed by a victory over Enloe High School of Raleigh in the last meet. It would be unfair to single out a star performer, but Charles Gupton, Don Hicks, Clyde Waiden and James Caudle all set school records in their events. In addition, Alan Peoples set a school and county record in the mile run.

Conclusion

Let us live our lives here in a worthy way; let us persevere with diligence, full of the spirit of wisdom, firm in the assurance of those blessings which will be ours if effort is directed with sincerity of purpose. Let us look toward greater and broader horizons of learning, for only the celestial scope itself can compare with the vistas of knowledge. And let us never forget the debt that we owe here and the immeasurable bounty that has been ours.

As we reach the end, a new road unfolds before us. This road leads to the future and all the dreams that are part of things that are yet to be. Still with us are memories of the past; these are to be cherished. The dreams are to be fulfilled. We hope that you will always cherish this book which we, the annual staff, have created for you out of the yesterdays, the tomorrows, and the precious today's.

We are grateful to all those who have helped us produce this yearbook. There have been many helping hands. To those who have expressed their interest and faith in us by advertising in these pages, we are lastingly grateful. For their sake, if for no other, we hope this FRANOCA will be read forever. Thank you all. — The 1965 FRANOCA Staff.
